

PUBLIC SAFETY REPORT SYSTEM

Understanding the PSRS

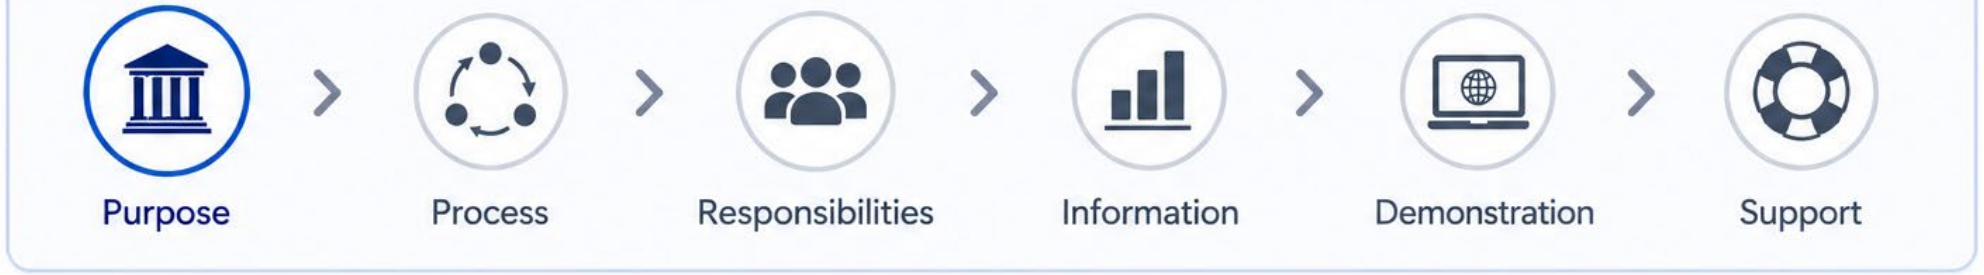

Presented by:
Texas Office of Court Administration
Bail and Pretrial Program Team

TRAINING ROADMAP

PURPOSE

Why the PSRS Exists

CONSIDER THIS...

It's 2:00 a.m. on a Sunday morning

A magistrate in Anywhere, Texas is asked to set bail on a serious offense

The bail decision must balance:

- Applicable laws and statutes
- Public safety
- The rights of the defendant
- The likelihood the defendant will appear for future court proceedings

That decision may be reviewed and scrutinized by:

- The public
- The media
- Appellate courts
- Other Judges, judicial staff and justice partners

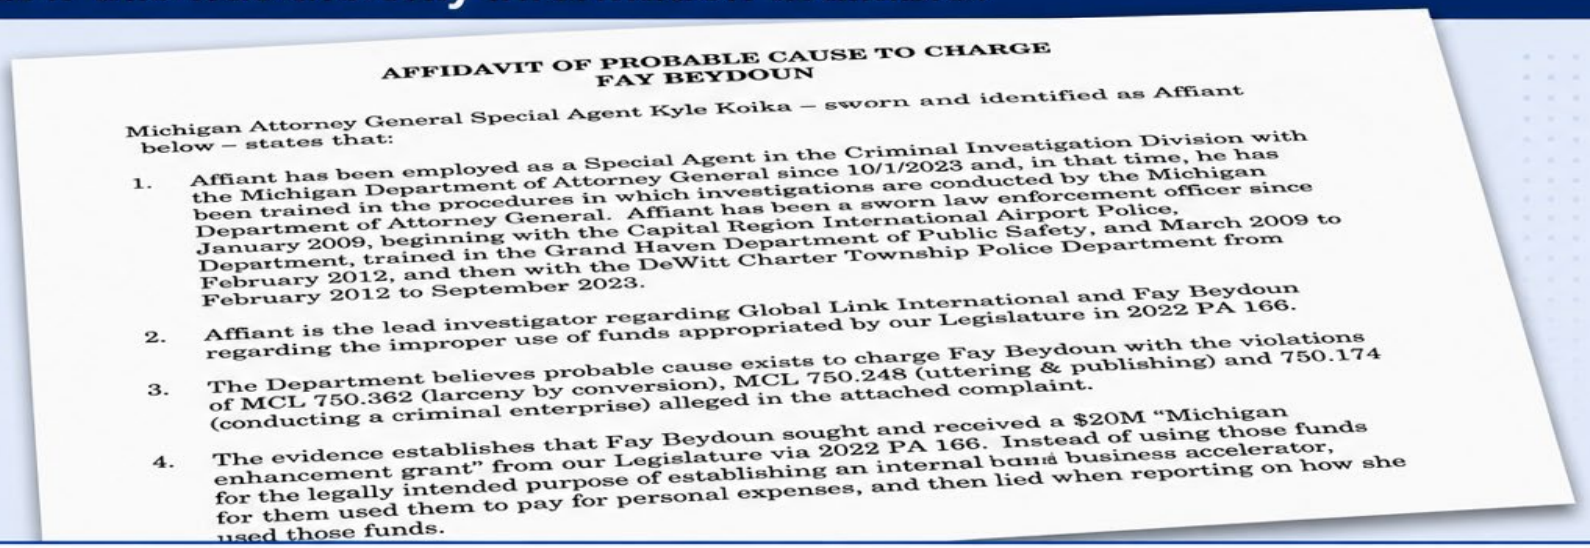

Before any decisions are made, what information would be important to know?

Common Answers:

- Criminal history
- Probable cause affidavit
- Offense report
- Prior failure to appear information
- Out of state criminal history
- If they are currently on probation or parole
- If there are any pending cases

What if this was the only information available?

AFFIDAVIT OF PROBABLE CAUSE TO CHARGE
FAY BEYDOUN

Michigan Attorney General Special Agent Kyle Koika – sworn and identified as Affiant below – states that:

1. Affiant has been employed as a Special Agent in the Criminal Investigation Division with the Michigan Department of Attorney General since 10/1/2023 and, in that time, he has been trained in the procedures in which investigations are conducted by the Michigan Department of Attorney General. Affiant has been a sworn law enforcement officer since January 2009, beginning with the Capital Region International Airport Police, Department, trained in the Grand Haven Department of Public Safety, and March 2009 to February 2012, and then with the DeWitt Charter Township Police Department from February 2012 to September 2023.

2. Affiant is the lead investigator regarding Global Link International and Fay Beydoun regarding the improper use of funds appropriated by our Legislature in 2022 PA 166.

3. The Department believes probable cause exists to charge Fay Beydoun with the violations of MCL 750.362 (larceny by conversion), MCL 750.248 (uttering & publishing) and 750.174 (conducting a criminal enterprise) alleged in the attached complaint.

4. The evidence establishes that Fay Beydoun sought and received a $20M "Michigan enhancement grant" from our Legislature via 2022 PA 166. Instead of using those funds for the legally intended purpose of establishing an internal burn business accelerator, for them used them to pay for personal expenses, and then lied when reporting on how she used those funds.

What is the PSRS Designed to Accomplish?

Supports informed judicial decision-making by including statutes, applicability of mandatory or discretionary bond conditions, eligibility for personal bond within each report.

Provides more consistent access to information such as criminal history, current pending cases or supervision status, participation in pretrial intervention programs, being party to a protective order, outstanding warrants and current bond conditions when applicable.

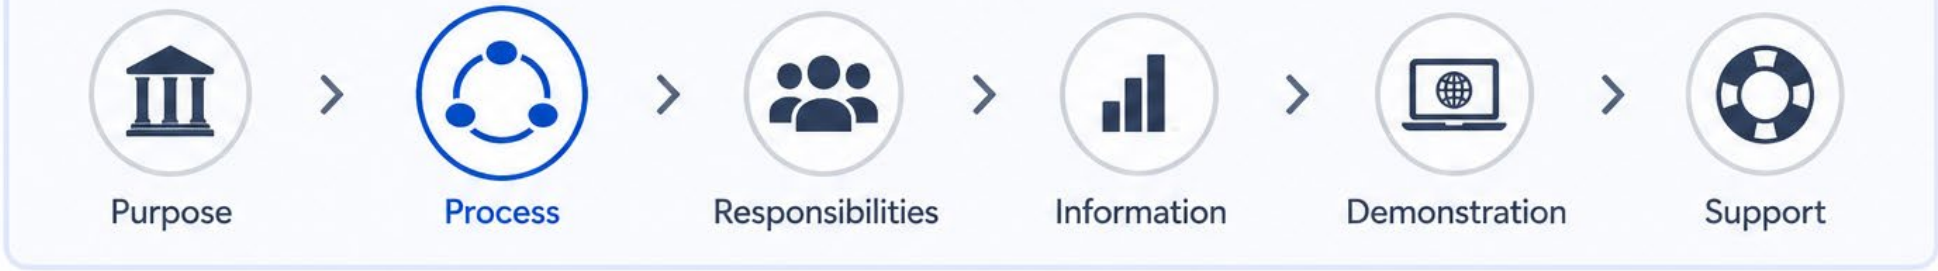

Document and track bail decisions throughout the case lifecycle.

Facilitate statewide reporting utilized in local, state and legislative discussions and decisions.

PROCESS

How Information Moves Through the System

System Overview

How Information Becomes Action and Documentation

1

PSRS

Public Safety Report System (PSRS)

The system as a whole where arrest information is **entered** and bail decisions are **housed**.

2

PSR

Public Safety Report (PSR)

A report generated from the information in PSRS for **judicial review** and decision-making.

3

Bail Form

The bail decision is **documented, certified** and submitted to OCA.

4

Modified Bail Form

Changes to the original bail decision are documented and submitted.

Important: The PSR is an informational report only. It is **NOT** a risk assessment and should not be **used** as such.

Forward movement cannot occur until the bail form is certified.

Certification allows notifications to be made, enables publication and supports statewide reporting.

Accurate and timely information supports informed decisions, proper documentation and statewide reporting.

Information and Workflow Progression

How Information Moves Through the System

Original Arrest = Original Bail Form

1. Arrest/ Booking

2. Entry into PSRS, PSR generated

3. Judge reviews PSR, conducts 15.17 Magistrate Hearing

4. Memorialization bail decision, Bail Form certified and submitted to OCA

5. Bail Form is posted on OCA public portal and data added to statewide reporting

6. Mandatory notifications are made

Change in Original Bail Decision = Modified Bail Form

Modify Bail Form When:
There are changes to:

- Bail Amount
- Bail Type OR
- Mandatory Release

1. Original bail type or amount are changed

2. Bail Form modified, certified and submitted to OCA

3. Modified Bail Form posted on OCA public portal

WHEN IS A BAIL FORM NEEDED?

CREATE A NEW BAIL FORM

WHEN:

1. The charge is new
2. Case was prior to PSRS implementation - *(4/1/2022)*
3. The original arrest was not entered

MODIFY THE ORIGINAL BAIL FORM

WHEN:

1. The defendant and current arrest are already in the system with original bail decision
2. A judge is modifying a prior bail decision *(Magistrate or Trial Court Judge)*
   - Bond amount changed
   - Bond type changed
   - Article 17.151 release

OR

3. The defendant is rearrested (warrant, indictment, motion to revoke/adjudicate)

DO NOT ENTER INTO THE PSRS

WHEN:

1. Out of State Warrants
2. Class C Misdemeanors
3. Juveniles (have not reached their 17th birthday)
4. Parole Violations
5. Bond is set on a warrant/indictment but no arrest has been made yet

Arrest is the trigger to enter information into the PSRS and generate a Bail Form.

The Ripple Effect of a Bail Decision

1. **JUDICIAL BAIL DECISION**
   Bail is set and entered in the Bail Form.
2. **PSR RECORD**
   Bail information memorializes that decision.
3. **PUBLIC PORTAL (TOPIC's)**
   Information is made available through the public portal.
   https://topics.txcourts.gov/BailPublic
4. **LOCAL REPORTING**
   Information is used at the local level to evaluate workflow, process and review of local practices and data and trends.
5. **STATEWIDE REPORTING**
   Information populates the dashboards, is used for analysis and legislative reporting.
6. **POLICY AND FUNDING DISCUSSIONS**
   Data informs policy and funding decisions at the state level.

Bail Forms (3)

Dashboards (5)

Every bail decision creates a ripple that extends beyond the courtroom.

RESPONSIBILITIES

Every Role Supports the Process

Every User Has Common Responsibilities

No matter your role, we all play a part in maintaining a reliable, accurate, and trusted system.

PROTECT CRIMINAL JUSTICE INFORMATION

Safeguard confidential information and use the PSRS only for official duties.

CJIS Training

ENTER COMPLETE AND ACCURATE INFORMATION

Ensure the information you enter is complete, accurate, and reflects the true record.

Entry errors happen. Correct them before submitting

COMPLETE REQUIRED ACTIONS IN A TIMELY MANNER

Timeliness is essential to support informed decisions and meet statutory requirements.

Bail Form = 48 hours Mandatory
Notifications = next business day

ASK QUESTIONS WHEN UNSURE

When in doubt, reach out. Asking questions helps ensure compliance and quality.

Bail@txcourts.gov

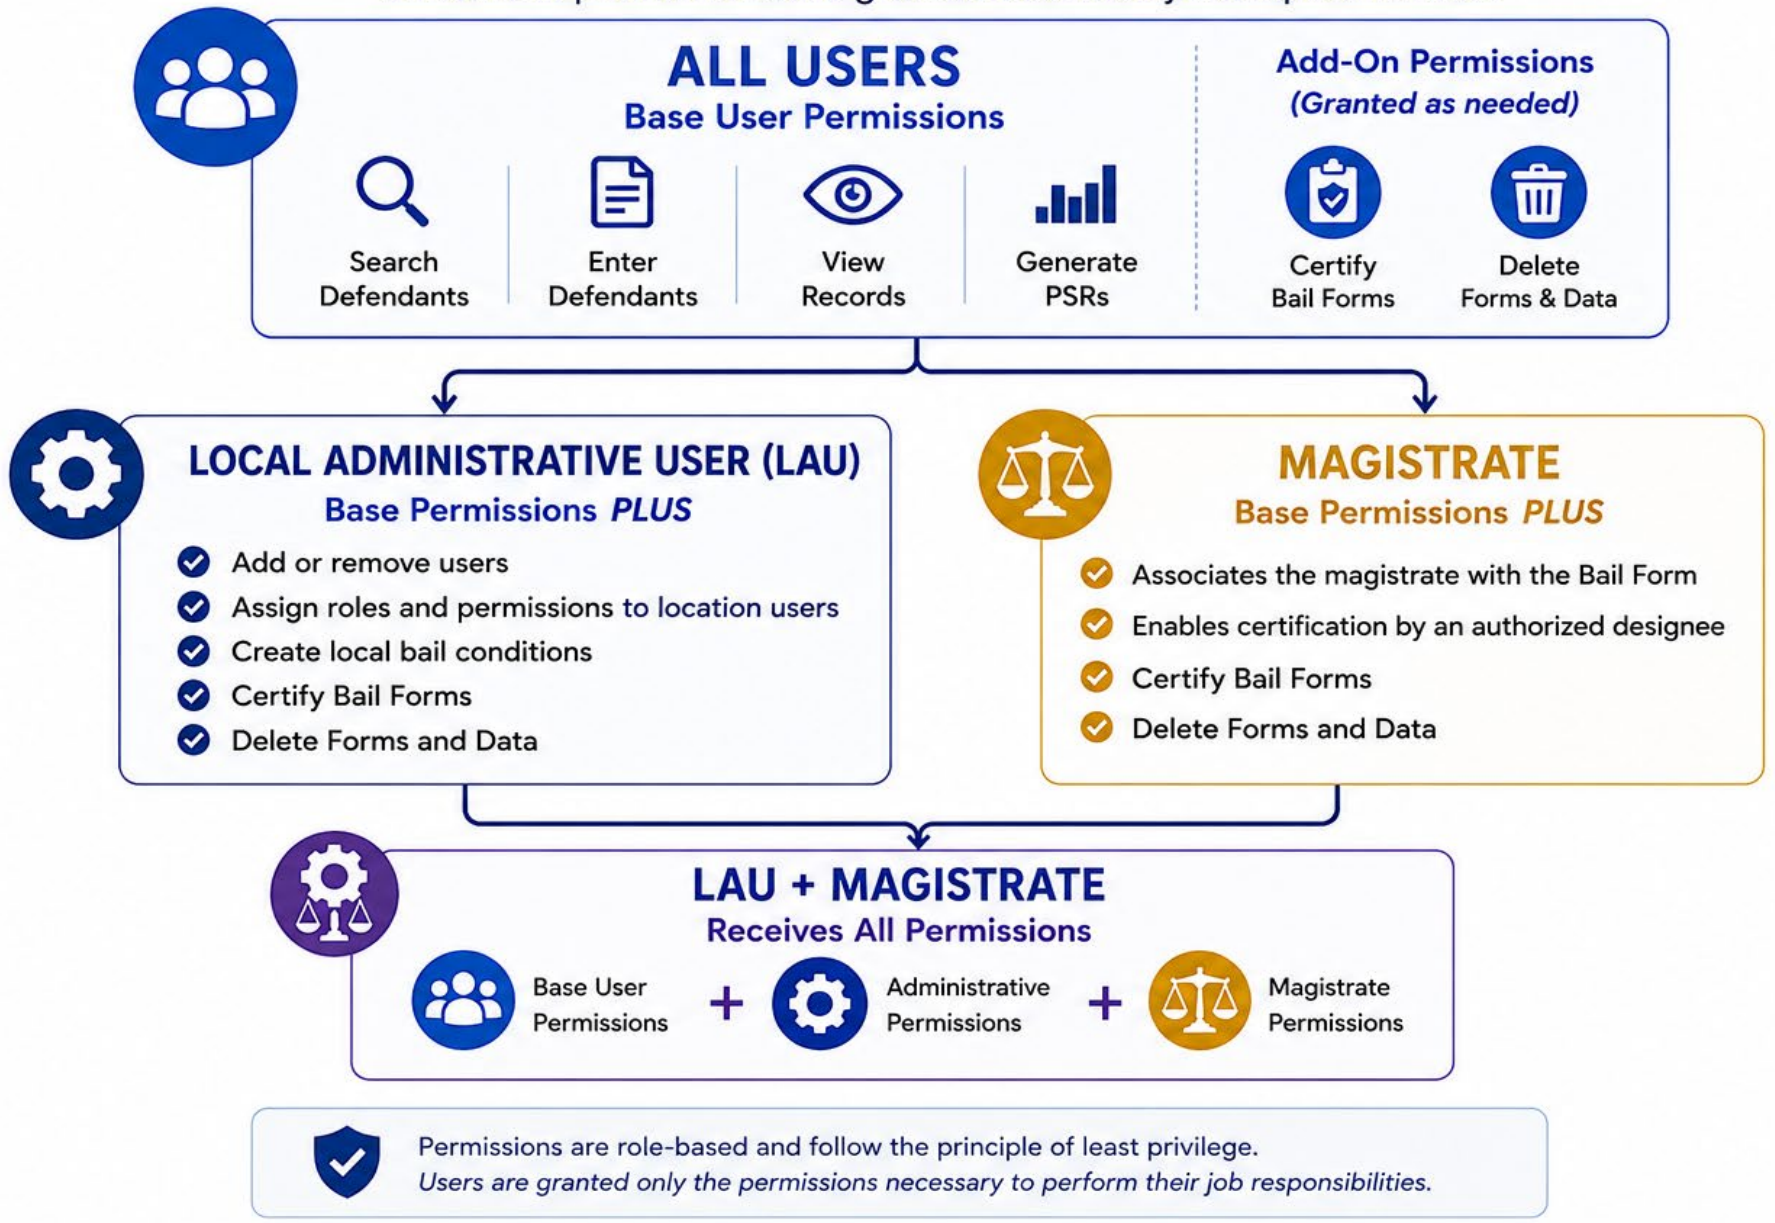

UNDERSTAND HOW YOUR WORK AFFECTS OTHER USERS

Your actions impact the entire process and the users who rely on the information.

Ability to perform downstream job duties

PSRS USER PERMISSIONS

All users start with the same base permissions.
Additional permissions are granted based on job responsibilities.

OCA Guidance for Mandatory Training

REQUIRED TRAINING

Only judges who are compliant with the judicial education requirements of Art. 17.024, Code of Criminal Procedure may set bail for a defendant who has been charged with a Class B misdemeanor or higher category offense.

USER	TRAINING REQUIRED	REQUIRED HOURS
JUDICIARY	1. Magistrate Duties (*Appropriate Judicial training Center*) 2. Continuing Education every biennium 3. CJIS – Security Awareness 4. *TCIC – Mobile Access	1. 8-hours 2. 2-hours 3. 2-hours 4. 8-hours
SUPPORT STAFF *(clerks, jail, admins)*	1. CJIS – Security Awareness 2. *TCIC – Mobile Access	1. 2-hours 2. 8-hours

1 CJIS SECURITY AWARENESS TRAINING *(Required for All PSRS Users or View Only access to PSRS)*

- **Who must complete it:** Anyone with PSRS access, including view-only access
- **Requirement:** Criminal Justice Information System (CJIS) Security Awareness Training
- **Frequency:** Initial training and annual recertification
- **Purpose:** Ensures proper handling, storage, dissemination, and security of criminal justice information
- **Administration:** Managed by your agency's Terminal Access Coordinator (TAC). If you are unsure who your TAC is or whether you are compliant, contact DPS.

2 DPS MOBILE ACCESS TRAINING *(Required for Criminal History Queries)*

- **Who must complete it:** Any PSRS user whose job duties require them to query a criminal history through PSRS
- **Requirement:** Texas DPS-approved criminal history training
- **Purpose:** Authorizes users to access and query criminal history data in compliance with DPS and CJIS standards

KEY REMINDERS

- CJIS and DPS training requirements apply regardless of access level.
- View-only access does not exempt a user from CJIS training.
- Agencies are responsible for monitoring training compliance for users operating under their ORI.

**TCIC (DPS Mobile Access) is required only if job duties include querying criminal history through the PSRS.*

For questions about CJIS training or DPS Mobile Access, contact your agency's Terminal Access Coordinator (TAC) or DPS.

MANDATORY NOTIFICATIONS

Article 17.027, CCP

CROSS-COUNTY NOTIFICATIONS

New felony arrest in another county → originating county must be notified

User initiates workflow; PSRS completes and archives notification

Designee notifies: District Clerk, District Attorney, District Court, and Defense (if known)

72.038 (c-1) Government Code

DISTRICT ATTORNEY NOTIFICATIONS

Triggered by magistration for a violent felony (Art. 17.03)

User initiates workflow; PSRS completes and archives notification

Designee reviews bail and proceeds per office policy

PSRS streamlines and documents required notifications to ensure timely communication and compliance with statutory requirements.

WHEN ARE NOTIFICATIONS REQUIRED?

DISTRICT ATTORNEY NOTIFICATION

Government Code § 72.038(c-1)

Waldo is arrested and magistrated in **Armstrong County** for Aggravated Robbery.

The case is magistrated in **Armstrong County.**

Armstrong County user (generally, the person certifying the Bail Form) generates notification within the **PSRS.**

Notification is sent within the PSRS to the **Armstrong County District Attorney.**

CROSS-COUNTY NOTIFICATION

Code of Criminal Procedure Art. 17.027

Waldo was previously released on bail in **Armstrong County** to await trial.

Waldo is now arrested in **Zapata County** for Possession of a Controlled Substance (3rd Degree Felony).

Zapata County user (generally, the person certifying the Bail Form) generates notification within the **PSRS.**

Notification is sent within the PSRS to **Armstrong County.**

Notifications must be generated no later than the next business day.

Notifications cannot be generated until the Bail Form is certified.

CROSS-COUNTY NOTIFICATION

Use the decision tree below to determine when a notification is required.

Previous Offenses (Example)

View Full History, FTAs, Bond Conditions and PTI Conditions

Arrest Date	Citation	Offense	1 Level/Degree	Violent	2 Disposition	3 Sentence
10/20/2018	HSC 481.115(b)	POSS CS PG 1 < 1G	FELONY – STATE JAIL FELONY	No	CONVICTED	Confinement 15M0D

1 **Step 1:** Are their FELONY offense arrests listed?

→ **YES.** Move to Disposition Column (2)

→ **NO.** No notification required.

2 **Step 2:** Do all FELONY offenses have a disposition and sentence indicating cases are resolved?

Examples of Resolved Dispositions

Convicted | Prosecutor Declined Charge | Dismissed | Taken Into Consideration

Is there a final sentence in Column (3)?
Example: Confinement, Probation

→ **YES.** No notification required.

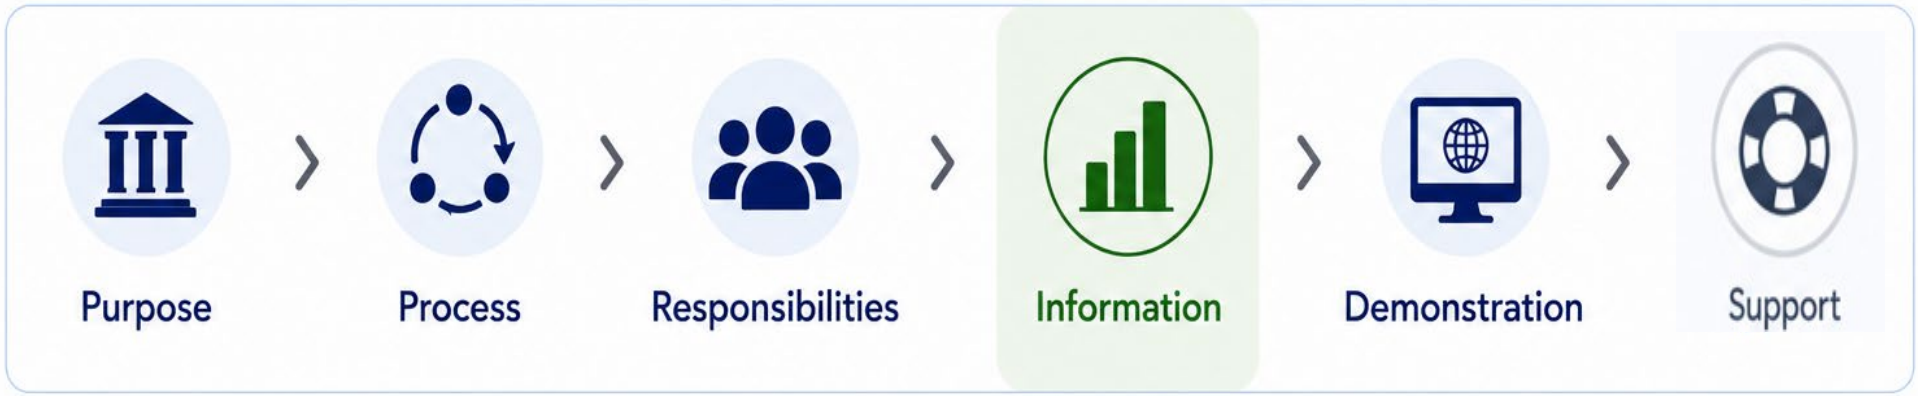

NO. Review Full Criminal History (CH) to determine which county to notify.

Notification must be made **no later than the next business day.**

Notifications cannot be made **until the Bail Form is certified.**

PUBLIC SAFETY REPORT SYSTEM

GRANT OPPORTUNITY

FUNDING NOW AVAILABLE

The Office of Court Administration is offering reimbursement funding to help eligible jurisdictions connect their jail or case management system with the Public Safety Report System (PSRS).

One Connection. Fewer Steps. Faster Workflows.

WHY INTEGRATE?

API integration can help your jurisdiction:

- Reduce duplicate data entry
- Improve accuracy and timeliness
- Streamline workflows
- Save time and resources

WHO SHOULD APPLY?

Courts, jails, pretrial services, magistrates, and other local jurisdictions in Texas that use a jail or case management system and are currently entering information manually into PSRS.

LEARN MORE & APPLY

Visit the PSRS API webpage for details, eligibility, and the direct link to apply.
